ABOUT US

Indian Business Hub is a premium directory of various kinds of Indian local businesses, institutes and programmes all over New Zealand. The directory presents you a full range of services and products Indian businesses offer all over New Zealand. We also list the latest deals and offers offered by local Indian businesses. Our directory is designed in a simplest way so that everybody finds it easy to navigate.

What makes us unique is the listing of the latest offers, deals, discounts, advertisements and banners from our leading clients, which helps users in making quick decisions. Premium members have the extra facility of updating their own images, hours, Classified, Deals and business description.

REASONS TO CHOOSE US

FOR BUSINESS OWNERS

You can advertise your business on Indian Business Hub and get noticed by 100s of potential clients everyday. You can offer special deals and discounts through our deals sections or throughout display banners. This can potentially help in growing your business. You can brand your business on our home page and get noticed by the overall website traffic. If you are looking for any advice or support regarding Digital Marketing services, we have a team of experts with 10+ years experience who can surely help.

FOR CONSUMERS

Indian Business Hub presents you a full list of Indian businesses in your city or throughout New Zealand. You can avail daily or weekly deals offered by the local Indian businesses. After using their services, you can leave a review on a business page encouraging them to do better business every time. You can also recommend your local Indian businesses to your friends & family and get extra discounts on your next purchase.
